

Arletta Duncan (1914-1985)

Confirmed Authentic Exemplar

My next picture is "Back Street," which should be released shortly. I do hope you'll enjoy it.

(1) Frankenstein was my first picture. (2) Both my parents were from the stage. I've done very little stage work.

Haven't had chance to have any fan photos made, but will send you one as soon as I do.

Yours
Arletta Duncan
